

Governors have a general responsibility for the effective management of the school, acting within the framework set by national legislation and with guidance from the Local Authority. Their major responsibility is to ensure that conditions are right for teachers to teach and children to learn effectively.

The Parent Governors are elected by the parents of registered pupils at the school and must be parents themselves at the time of their election. They are elected for a period of four years.

The full Governing Body meets at least once a term with more frequent meetings of committees for Finance, Curriculum, Premises and Personnel.

Approved minutes of full Governing Body meetings, with copies of agendas are available for anyone wanting to inspect them.

Our current Governors are:
