

Welcome to Caversham Primary School we hope you enjoy your visit to our website.

'Learning for Life'

The school aims to bring learning alive, making it exciting, stimulating and relevant to each learner. We want to give the pupils a thirst for learning that continues with them throughout their future school experiences and lives.

We have high expectations of the pupils: in their work and in their behaviour. We expect children to work to the best of their ability, to show kindness to those around them and take responsibility for the care of their environment. We aim to be an inclusive school, where all are valued within an atmosphere of mutual respect and trust, and we strive to make each child's time with us, purposeful, challenging and enjoyable.

Our Core Values:

- Enthusiasm
- Cooperation
- Determination
- Respect

- Compassion

The aim of education is to enable pupils to understand the changing world around them and to discover and nurture the talents they have so that they can become fulfilled individuals and active, compassionate individuals.

At Caversham Primary School, we strive to encourage all pupils to be:

- **RESPONSIBLE CITIZENS** who make a positive contribution to society;

Our pupils are valued as unique individuals; we celebrate diversity and respect children regardless of ability, gender, ethnicity or religion. We aim to sustain a happy, caring, supportive and positive learning community where each child can develop and extend their potential and achieve success.

- **SUCCESSFUL LEARNERS** who enjoy learning, make progress and achieve;

We aim to provide learning opportunities that are age-appropriate, broadly based, challenging interesting and exciting so creating a joy and thirst for knowledge. We recognise that children should take responsibility for their own learning and encourage them to plan for their learning, as individual thinkers who question and are inquisitive to find out more and develop their own skills.

- **CONFIDENT INDIVIDUALS** who are able to live safe, healthy and fulfilling lives;

We pride ourselves on our learning environment which is positive, with a calm purposeful atmosphere. Children can feel relaxed but challenged and through a sense of enjoyment for learning and being part of our school community not only build on their learning, but also grow in self-confidence, respecting themselves and others.

We are committed to working in partnership with parents and welcome our parents to take advantage of the many informal and formal opportunities to enhance the home-school relationship.

Prospective parents are invited to look round the school, visiting us during the working day so that they can meet both staff and children and see at first-hand what the school has to offer their child. Office staff will be only too happy to arrange an appointment.

With best wishes

Headteacher 2010 to Present

Deputy Headteacher 2006-2010

Pupil at Caversham Primary School 1973-1980
