Dear Parents/Carers,

Ofsted inspectors carried out a full inspection of Caversham Primary School on 21 and 22 June 2023.

While we completely appreciate and, of course, understand the sensitivity around one-word ratings, we are obliged to inform you of the outcome of the inspection, especially as it will shortly be in the public domain.

The school has now been rated as 'Good' in all areas; quality of education, behaviour and attitudes, personal development, leadership and management and early years provision.

Safeguarding was judged to be effective with Ofsted noting in the report " A positive culture of safeguarding now pervades the school. Ongoing and determined work has ensured that the improvements made have gone beyond the essential changes that were needed"

We fully acknowledge and pay tribute to the work that Mrs Perry started immediately after last November's inspection and hold her in our thoughts as we thank school leaders, teachers and support staff for their tremendous hard work under extremely challenging circumstances in the last six months.

We are grateful to our pupils, to you and to the local community for your ongoing support and for helping the school to continue to thrive.

Kind regards,

Neil Walne

Chair of Governors
