Newsletter

12th December 2025- Issue No. 13

Core Values: **Compassion, Enthusiasm, Cooperation, Determination, Respect**

Message from the Co-Headteachers...

Dear Parents and Carers,

What a week! School has been sprinkled with Christmas cheer this week with our school visit to The Kenton panto and our Christmas performances by Reception and KS1. School has been sprinkled with Christmas cheer this week with our school visit to The Kenton panto and our Christmas performances by Reception and KS1.

Organising the Pantomime trip for the entire school has been a feat of organisation but we were so proud of how wonderfully the children behaved and we are so glad they enjoyed themselves. Thank you to the parent volunteers who supported us at the theatre – we are very grateful.

We have been so impressed by the enthusiasm, bravery, and creativity of our young performers this week – well done everyone! We would like to say a huge thank you to our staff for all of their hard work, enthusiasm and energy levels in putting these performances together for us to enjoy! We would like to thank our parent community for supporting the children in learning their lines, mastering their song lyrics and dances and for providing costumes.

Our new School Council has now been elected and we are very excited to start our first big project in the new year. The incoming and outgoing School Councils will work collaboratively to design our new playground Trim Trails which we hope to install in the summer holidays. There are several other high-profile projects to be tackled in the coming year too.

Our new School Council has now been elected and we are very excited to start our first big project in the new year. The incoming and outgoing School Councils will work collaboratively to design our new playground Trim Trails which we hope to install in the summer holidays. There are several other high-profile projects to be tackled in the coming year too.

A huge thank you to the outgoing school council who assisted with designing the new website, took on the role of Rights Respecting Ambassadors, took part in our school safeguarding audit as pupil representatives, instigated a friendship bench for the playground and debated ways that we can improve problem parking and road safety around the school.

School Council 2025-2026:

Swallows – Platon	Beech – Annabelle
Skylarks – Emma	Birch – Shaurya
Robins – Alice	Hazel – Jasper
Red Kites – Olivia	Holly – Aryaansh
Alder – George	Sycamore – River
Ash – Winnie	Spruce – Indigo

Sycamore – River

Spruce – Indigo

Parking:

Please note, a Parking Attendant issued 2 tickets earlier this week and plans to return regularly to ensure the safety of our school at the start and end of the day – please remember to drive and park safely and considerately.

Please also remember **the area at the top of Victoria Road is for turning only – please do not park here!** There was a near miss here last week due to cars being parked in the area and a parent having to reverse in a very tight space.

Attendance:

Be an attendance hero!

Please also remember **the area at the top of Victoria Road is for turning only – please do not park here!** There was a near miss here last week due to cars being parked in the area and a parent having to reverse in a very tight space.

Be an
attendance
hero!

To be an attendance hero, you need to arrive at school everyday, be on time and ready to learn!

The gates will be locked at 8.50am and anyone arriving at school after this time will need to sign in, late, at the school office.

The gates will be locked at 8.50am and anyone arriving at school after this time will need to sign in, late, at the school office.

Please remember, every second a child is not in school is a moment of lost learning!

We wish you all a lovely weekend!

Mrs Grover & Mrs Jones-King

THE FINAL WEEK OF TERM

Monday

Year 3/ 4 Carols in the Hall at 2.45pm. Parents are welcome to join- please come in through the playground as usual.

Tuesday

Year 5/ 6 Carols in the Hall at 2.45pm. Parents are welcome to join- please come in through the playground as usual.

Wednesday

Year 6 Greek Day

Pupil Christmas Lunch- If your child would like a Christmas lunch, please book on ParentPay in the usual way.

Thursday

Pupil Christmas Parties- these will happen in class in the afternoon. Pupils may wear **Christmas Jumpers (or other own clothes- please do not buy a jumper especially for this!)** Pupils do not need to wear any normal uniform to school on this day.

Friday

There may be a festive surprise for all children during the day...

Caversham Primary School

Hemdean Road, Reading RG4 7RA

Tel: 0118 937 5454 Email: admin@cavershamprimary.reading.sch.uk

Pupils are also invited to bring in a game they would like to (no precious, expensive or electronic games please!)

invited to
from home if

School finishes as normal at 3.10pm for Years R-6.

Please note that after school club **will** be running on this day, for children who usually attend on a Friday. If your child normally attends on Fridays but you are not going to send them next Friday do please let the school office know.

Caversham Primary is a Rights Respecting School

RIGHT OF THE WEEK: Article 4 ***You have the right to have*** your needs protected by the government

SAFEGUARDING

What is the issue?

You may be aware of national concerns around the “Tap out” TikTok challenge. We have been asked to share the below information by the Berkshire West Safeguarding Children Partnership.

*****We would like to remind all parents that in the UK, the minimum age for TikTok is 13*****

What is the “Tap out” out challenge?

This trend often involves a group of teens where one child places another child in a chokehold (forearm is placed around the other child’s neck and throat), the child performing the chokehold would then apply pressure/squeeze the neck until the child in the chokehold taps them out on their arm in which at this point the chokehold should be released. This can also involve another child “tapping in” to join the chain. Whilst there can be no physical signs of injury following this trend it is important to be aware that this type of strangulation can lead to serious health implications in the future, including fatalities.

The challenge is presented in a way that downplays the risks, showing participants laughing or walking away unscathed. What they don't show are the serious risks—like brain damage or even death—that can result from asphyxiation.

Children and young people are not aware of how easily these actions can cause serious harm. Trends such as this can change names quickly so, please be alert, talk to children and young people about it and report anything you see.

Signs and injuries to look out for include;

Caversham Primary School

Hemdean Road, Reading RG4 7RA

Tel: 0118 937 5454 Email: admin@cavershamprimary.reading.sch.uk

injuries (as
when losing

- Head can fall
consciousness)
- Possible loss of memory - feeling confused or disoriented after being alone
- Marks or bruises on the neck
- Blood shot eyes (conjunctival haemorrhage).
- Scratches or small red spots (petechiae) to neck/eyelids/cheeks and behind ears.
- Raspy or hoarse voice
- Severe headache

Other names given/similar challenges

Fainting game, Hangman, Elevator, and Blackout

Information on a similar trend "TikTok blackout challenging can be found here [The TikTok Blackout Challenge: How to Protect Children](#) which includes [What Parents Need to Know. How Safe is TikTok for Children?](#)

COMING UP . . .

YEAR GROUP UPDATES

Reception: Doves and Ducks

Wow, what an incredible week we've had this week. The children must be exhausted from all the excitement! We started off the week with our second play performance to Key Stage 2 children. Then on Tuesday and Wednesday we went to see how the professionals do it on stage in Henley. The Panto was so much fun and so very,

very wet! The children loved booing the naughty Captain Hook and being squirted with water by cheeky Peter Pan and Nanny Nelly. I think it must have inspired them to greatness, because we think you'll agree, they did such a fantastic job in their own play performances on Thursday and Friday. Their singing was loud, their dances were adorable and they had so much fun. We are so proud of them for learning their songs, their lines and their dances - phew, what a lot to remember! We hope you enjoyed watching them as much as we enjoyed working with them.

In amongst all this fun and excitement, the children have still been learning and this week has been particularly tricky. In phonics we have been learning how to tackle longer, 2 syllable words. It is a challenge for them but using their existing knowledge of all sorts of brilliant vocabulary, they have been able to decode lots of long words. Next week we will be consolidating our knowledge. Teachers will be reviewing the children's progress and we will be practising our letter formation.

In maths we have begun to start finding out about the composition of 5 using the song '5 Little Speckled Frogs.' The children have once again shown off their amazing maths knowledge and we're sure that by the end of the year, their number bonds are going to be solidly embedded which will really help them going forward into Year 1.

Our focus book for next week will be the poem, 'T'was the Night Before Christmas' which is an enchanting poem about the arrival of Father Christmas down the chimney. It is a gorgeous book to do with Reception children because it has heaps of rich and magical vocabulary which really evokes the wonder of Christmas. We know that they will absolutely love it!

Year 1: Skylarks and Swallows

What an exciting and busy week we have had at school. The children have loved performing the Christmas production 'Santa's on Strike'. Their singing, dancing and acting have been amazing and they have loved having an audience to entertain. We

Caversham Primary School

Hemdean Road, Reading RG4 7RA

Tel: 0118 937 5454 Email: admin@cavershamprimary.reading.sch.uk

all enjoyed our
Kenton Theatre
see 'Peter Pan'

was lots of shouting, booing and hissing!

trip to The
in Henley to
where there

Despite all the excitement we have also been continuing with lessons to finish off the topics covered this term. In English we finished planning our own versions of 'Orion and the Dark' and

then started to write and illustrate our stories in a book. When we have all finished, we will spend some time reading each other's books which will be great fun! In maths we continued our topic on 2D and 3D shapes. We have been naming these shapes as well as sorting and describing them. We had fun with feely bags trying to guess the shape! We made 'messy maps' in geography. This involved using everyday objects such as cubes, pencils, rubber and paper to make a map of the classroom. We have done a lot of work on 'bird's eye' view this term which helped us choose the correct shape and position of the objects. Our phonic lessons this week have been consolidation of all sounds and high frequency words covered this half term.

Year 2: Red Kites and Robins

Wow, what a festive week for Year 2 it has been!

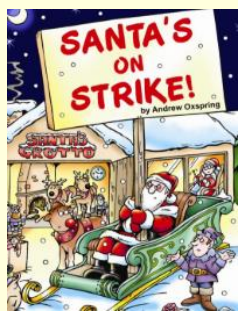

In English, as mentioned last week, we used our knowledge of expanded noun phrases, conjunctions and commas in lists (along with our detailed knowledge of The Tin Forest) to innovate our own versions of the story. There were some really interesting ideas and some incredible pieces of writing! We ended the week

with a word sorting activity in which we had to decide whether a selection of given words were nouns, adjectives or verbs. Of course, we recapped how to recognise each and we also discussed how some words can be more than one thing! For example, take the word *dance*. If we say "I love to dance!" then *dance* is a verb but if we say "What a beautiful dance that was!" then it's a noun! It can be tricky!

Noun	Verb	Adjective
A person, place, or thing	An action word or something you can DO!	A word that describes.
boy  scooter	 jump	delicious  sweet

In Maths we continued to consolidate some of this term's learning with some Christmas-themed symmetry work – we had to carefully decorate some festive pictures making sure that they were the same on both sides on a vertical line of symmetry!

Caversham Primary School

Hemdean Road, Reading RG4 7RA

Tel: 0118 937 5454 Email: admin@cavershamprimary.reading.sch.uk

Finally, after weeks of practising,

tweaking and preparing, Robins and Red Kites (ably assisted by Swallows and Skylarks) performed Santa's on Strike to three excited parent audiences. The children did themselves proud with their acting, dancing, singing and all-round enthusiasm. All of the staff were immensely thrilled with how well everyone did! Thank you to everyone that attended to support us – we hope you enjoyed the

show!

Year 3: Alder and Ash

This week in English, we have been writing our own stories inspired by *The Bear and the Piano* by David Litchfield. We made sure to include a range of important writing features such as expanded noun phrases, subordinating conjunctions, and fronted adverbials.

In Maths, we have been recapping column addition and subtraction, as well as completing two end-of-term assessments. It has been a challenging week of hard work, so well done to everyone!

In Art, we created abstract flower drawings and then upscaled our designs onto A3 paper using oil pastels. The results were vibrant and full of creativity.

We have also been lucky enough to enjoy several performances this week, including the Reception, Year 1, and Year 2 Christmas plays, as well as a trip to the pantomime on Tuesday. We loved watching siblings perform and are now looking forward to our Christmas Carols on Monday.

Caversham Primary School

Hemdean Road, Reading RG4 7RA

Tel: 0118 937 5454 Email: admin@cavershamprimary.reading.sch.uk

Year 4: Beech

have been writing our own stories based on the work we have done this term on How To Train Your Dragon. In maths, we have been multiplying and dividing numbers by 10 and 100 and also looked at how bar modelling can help us solve word problems. In DT we put cladding on our pavilions and in geography we made a leaflet about the River Thames. In computing, we made our own games by using the knowledge we learnt this term. In outdoor PE we played hockey matches and in PSHE we talked about bullying.

Birch class

Year 5: Hazel and Holly

In Maths, we did our end of unit assessments this week on fractions. We played a fun pirate maths game too.

In RE we have been discussing how people stand up for their beliefs and how it can inspire other people too. We looked at figures like Malala Yousafzai, Ghandi, Greta Thunberg, Ani Pachen.

In Art we continued making collages about an issue important to us. We then thought about them as installation pieces and what we could add to them to stimulate the senses.

In computing we assessed a partner's soundtrack and our own. We used some footage of a spaceship zooming in to space and had to create a soundtrack to tell us what type of film we were about to watch.

In English we have been writing persuasive emails and reading the Wizards of Once.

In outdoor PE we played basketball and played matches.

In Geography we planned what we would ask people on our trip to Caversham next week.

In French we are learning to tell the time.

We watched both the reception and year 1 and 2 plays and they were brilliant! We also watched the panto which was great fun. Three of our class got sweets!

From Amy and Hannah

and Birch

This week in year 4, we

Year 6:

Spruce and Sycamore

English: In English this week, we have been planning a non-chronological report. This term's book in English is 'The Arrival' and we have been designing and writing about a mysterious creature from the book. The report includes an introduction,

three detail paragraphs and a conclusion, all full of fictional facts.

DT: We have been finishing off our teddy bear waistcoats in DT. Next week we are going to have a teddy bear catwalk, where we will show our designs and sewing skills. It has been such a creative topic and we have all enjoyed it so much.

History: Greek gods and goddesses has been this week's theme. We played a game of Top Trumps in which we designed our own cards and battled against another person. It was very fun.

By Amelie

PE Indoor: This week, we moved on to disco dancing. We were in groups of four and danced to 'September' which is also one of our O2 songs so everyone was singing along.

Panto: This year's pantomime was Peter Pan. We took the coach there at 9.25 and had lots of fun laughing at all of the jokes and screaming 'Boooo' at Captain Hook for an hour. Then it was time for our snacks and another hour of fun. Soon after it had finished, we headed back to school for our lunch. I am very sad that this is our last panto with the school.

Maths this week has all been about scale drawings and scale factors. It is a new topic, not a recap and it is very fun.

I am excited for the O2 and this week in music we have been practicing the songs. My favourite is the Pop Medley.

YOU ARE NOT ALONE

You are the expert of your child

You Are Not Alone - Every 1st Tuesday of the month - 7.00pm - 8.30pm

A free monthly online drop-in for parents & carers

The **You Are Not Alone** community is a friendly and safe space run by Erik & Sally Wagter where you can come and learn about autism & PDA, ask questions, connect with like-minded people or simply hang back and listen in.

In this community we talk about all sorts of things such as:

- helping your child regulate their emotions & feelings
- understanding autism and PDA
- navigating school and EHCPs
- Supporting your child with friendships
- understanding and managing challenging behaviour
- managing sensory needs
- developing a positive relationship with your child (family dynamics)
- exploring EOTAS or home education
- looking after your wellbeing
- and so much more

Here's what parents said:

'My husband Jamie was saying that in the last few sessions, he has learned so much more about autism and PDA than he has over the last year'

Jo (parent)

'Thank you so much for the group this evening. I can't tell you how grateful I feel and I really do feel less alone and more validated. My hope is back'

Louise (parent)

'Thank you so much for your support. I nearly chicken out in speaking but I'm glad I did. These sessions have been really helpful and I don't feel so alone'

Emma (parent)

If you would like to join the next drop-in on Tuesday 6th January, please send an email to sallywagter@gmail.com and we will send you the Zoom link.
