\*\* Many school run lunchtime clubs operate on either a 'drop in' or 'come along' basis. Pupils will be told how and where to attend if they are interested.

\*\*For an 'invite only' club, parents will be contacted directly. **\*\*Parents will be contacted for clubs where payment or enrolment is required. In this case, you will receive an email from school asking for expressions of interest and consent. Clubs run by external providers run their own registers and sign- up processes. We will advertise these to appropriate year group parents in order that you have the opportunity to register your child's interest and book a place (space permitting).**
